# Afrocon Earns ISO 9001:2015 Certification!

## *A Testament to Quality, Trust & Compliance*

At Afrocon, we've always believed that aviation excellence begins with accountability. As a compliance-driven company, we are proud to announce that we have been awarded the **ISO 9001:2015 Quality Management System certification** — an achievement that underscores our unwavering commitment to delivering reliable, traceable, and customer-centric aviation solutions.

This milestone is more than just a certificate — it's a reflection of the principles that shape everything we do. From meticulous documentation to seamless coordination, Afrocon's processes now operate at a globally benchmarked level, ensuring our partners experience the highest standards of service and support.

# What We Offer

Afrocon's capabilities span multiple verticals that are integral to the aviation ecosystem:

## Parts & Support

OEM-approved aircraft parts with fast, AOG-responsive procurement

## Ground Support Equipment

High-quality equipment tailored for both rotary and fixed-wing operators

## Flight Data Monitoring & Analysis

Insights that enhance safety, efficiency, and regulatory compliance

## Information Technology

Driving digital transformation with tailored solutions and expert support.

## Training Programs

We facilitate specialized aviation training programs in collaboration with trusted partners

# Authorized SEALEY Tools distributor

We also proudly serve as an authorized distributor of SEALEY tools, known globally for engineering-grade reliability in aviation maintenance.

---

## AWIZ: Your All-in-One Aviation Procurement Portal

Our proprietary platform, **AeroWizard (AWIZ)**, streamlines RFQs, quotations, and shipment tracking – empowering our customers with control, clarity, and real-time visibility.

# Afrocon: Expertise Across Leading Aircraft and Industry Alliances

Afrocon's expertise extends across some of the world's most recognized aircraft platforms, such as... **Bell, Sikorsky, Airbus, Leonardo, Bombardier, Embraer, Fokker, Robinson**, and various private jets.

## Trusted Networks & Industry Associations

As a company built on credibility and collaboration, Afrocon is an active member of key aviation bodies, including:

- (African Business Aviation Association) AfBAA 
- (Canadian Business Aviation Association) CBAA 
- (Aviation Suppliers Association) ASA 
- (Helicopter Association of Canada) HAC 

**We are deeply grateful to AfBAA for inviting us to contribute to this edition. Opportunities like these inspire us to stay committed to integrity, collaboration, and continuous improvement. These valued affiliations and memberships not only strengthen our foundation but also motivate us to keep contributing meaningfully to the progress of our industry.**
